## What Covid precautions are taking place?

We will have:

Socially distanced seating in educational sessions

Hand sanitizer dispensers stationed throughout the meeting space

Color-coded ribbons to allow attendees to indicate the level of distancing they're comfortable with

Though masks aren't currently mandated, we encourage attendees to wear them to protect themselves, their colleagues, and hotel and association staff.

Because the health and safety of our attendees is our priority, we're monitoring the COVID-19 pandemic and will implement precautions necessary to provide a safe in-person meeting experience for everyone.
